

Who Is Eligible for AAUW Membership?

AAUW's story begins in 1881, when a small group of female college graduates banded together to open the doors for women's career advancement and to encourage more women to pursue higher education.

AAUW membership is open to anyone with an associate (or equivalent, e.g., RN) degree or higher from an accredited educational institution. Your membership makes our powerful voice even louder on critical issues affecting women and girls.

Dues are paid annually and currently are:

These renewals must be made online in the community hub by the member to join all affiliates at the same time. If done separately national dues are charged each time. Check with both Branches to determine current dues.
