"Alone we can do so little; together we can do so much." Helen Keller

Mission Statement: Our mission is to advance equity for women and girls through advocacy, education, and research. AAUW empowers all women and girls to reach their highest potential.

A Note from our President, Pamela Oviedo

A new year invites reflections—on our goals, our growth, and what lies ahead. Whether it's prioritizing wellness, learning something new, traveling, or strengthening financial habits, every goal begins with intention.

Our AAUW branch enters the year with that same sense of purpose. Through SMART planning, we are working to reconnect with members, strengthen engagement through meaningful programs, and encourage participation in the **State AAUW Conference this April**. Just as any successful journey requires thoughtful preparation, growing and sustaining our membership takes care, creativity, and commitment.

As we look ahead, we remain focused on programs and fundraisers that support scholarships for women in underserved communities and in fields where women remain under-represented, including STEM. AAUW's mission—to advance gender equity through education, economic security, and civil rights—continues to guide this work.

We invite you to be part of the momentum. Join us at an upcoming meeting, participate in our programs, and consider attending the State AAUW Conference in April located in Charlotte, NC.

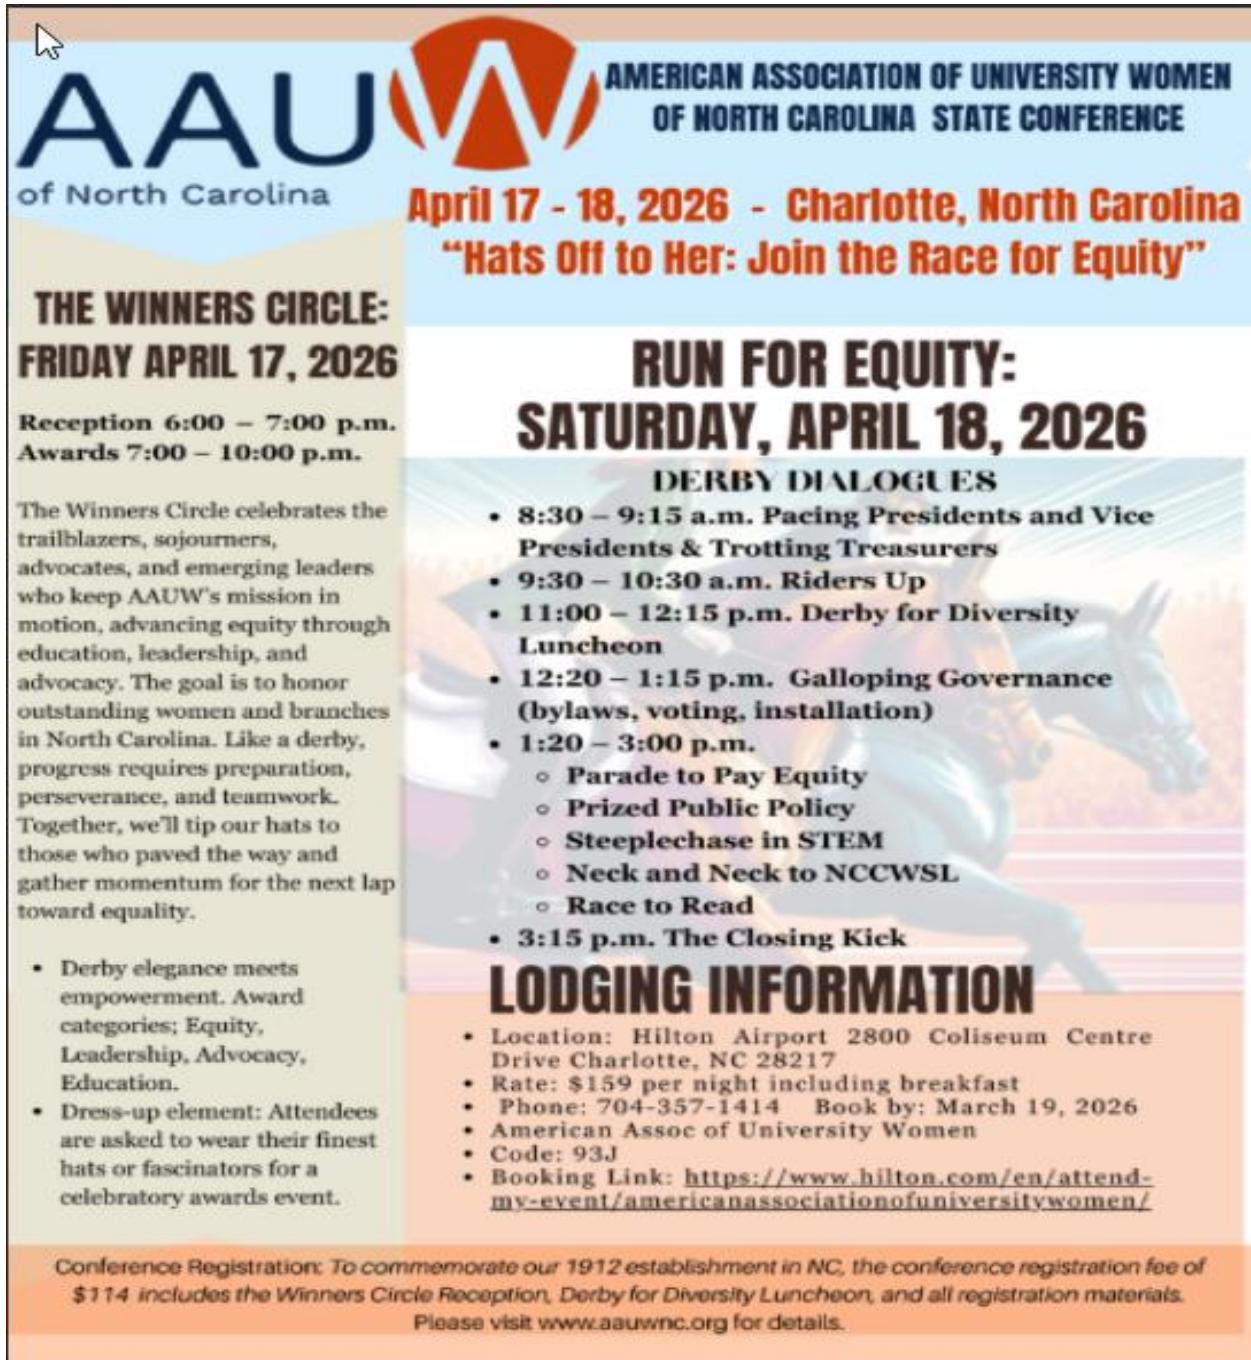

Together we can strengthen our branch and continue making a meaningful impact in the year ahead.

*Your Branch President
Pamela Oviedo, Ed.D.*
